# Test Report

## **1.0 Test of GUI**

### **1.0.0 Summary of testing**

This document outlines the tests carried on Copy & Paste Function in TeachEasy

### **1.0.1 Prerequisites**

Completion of TeachEasy

### **1.0.2 Test importance**

Medium

### **1.0.3 Test results**

Test Case	Expected Results	Obtained Results
Copied multiple objects (graphics, images & text), and checked all the original properties with the pasted version.	An object can be copied and pasted on a page and that all of the parameters of the pasted objects are identical to that of the copied object.	Passed
Copied multiple objects (graphics, images and text) and pasted them between several different pages.	Objects can be copied and pasted between pages.	Passed
Copied multiple objects (graphics, images and text) within TeachEasy whilst copying objects outside of the program. And then pasted an object in a TeachEasy page	If an object is copied in the program, anything copied outside of the program should not interfere	Passed

### **1.0.4 Changes made due to test**

### **1.0.5 Additional comments on test**
