1.0 Features

Here is a list of potential features to be displayed on the home page of TeachEasy and LearnEasy.

TeachEasy

- Button that loads a guide on how to create a lesson (example lesson).
- Create a new lesson button
- Open existing lesson button
- List of recent lessons (clickable).
- Report a bug (maybe through email?).
- Request a new feature (email?).

LearnEasy

- Open existing lesson button
- List of recent lessons (clickable).
